20 (Inaudible) roger, out.

21 Roger, switching 16, out.

22 Motor Vessel Columbia, Cutter Anacapa,
23 channel 16.

24 This is the Columbia back to caller, on one,
25 six.

1 Columbia, this is Anacapa, roger sir, There
2 is a Helio in route. They have got some passengers
3 onboard. I will just go ahead and have them hoist the
4 passengers and I believe they have got some more
5 canisters for you, too, as far as air packs. I will
6 have them drop them onboard my aft deck, so you guys
7 won't have to deal with it right now, over.

8 The passengers, you say, are coming on?

9 I think they have got two Sitka fire fighters
10 and it sounds like they have got some MSO personnel and
11 I believe two personnel from the State Ferry Office.

12 Roger. And they are in route now, what is
13 the ETA again, please.

14 I am not sure of the ETA and I am not sure if
15 they have got, I know they have got the two fire
16 fighters onboard. It sounds like they are going to be
17 picking up the other personnel somewhere, at a
18 different location and bringing them out. I am not
19 sure exactly who is onboard at this time, but I will
20 have them drop them off on my fantail so you guys won't
21 have to deal with it right now. We will ferry them
22 over by small boat.

23 Anacapa, six, zero, one, one.

24 Six, one, one, Anacapa, go ahead.

25 Roger, we are about four miles out and

1 understand you want us to hoist the two firemen down to
2 you when you transfer them over to the Columbia. That's
3 fine. The other passengers are at Juneau, we will have
4 to pick them up and cut back after dropping off the two
5 fire fighters. It looks like right now it is going to
6 be at least four hoists. We have two passengers and at
7 least two hoists and possibly three hoists.

8 Roger that, two pax on hoist and possibly
9 three gear hoists. Do you want us stationary or do you
10 want us moving, over?

11 Underway will be better for us, we will tell
12 you what course, here in a second.

13 Roger that.

14 (Inaudible)

15 Coast Guard Juneau radio. Coast Guard Rescue,

17 Rescue one, one, Juneau, two, one, out.

18 (Inaudible) Juneau, zero, one, one, be
19 advised we are on scene and preparing to deliver our
20 two fire fighters to the deck of the vessel. How do you
21 copy.

22 Rescue one, one, Juneau, roger, understand
23 you are on scene. Request you call us when you are
24 done deploying the two passengers, over.

25 Juneau Radio, six, one, one, roger, out.

1 Anacapa --
2 -- Anacapa --
3 Roger, two, one.
4 (Inaudible)
5 Thanks for slowing down on that wake.
6 Yes sir, come in. I am just going to come in
7 and (inaudible)
8 (Inaudible)
9 Station calling, this is Anacapa.
10 (Inaudible) we can't communicate (inaudible)
11 Roger that. We are going to be getting
12 underway and heading south to do the hoist. We will be
13 out of your way in a second.
14 Roger. It's kind of hard hearing right now.
15 Roger.
16 (Inaudible)
17 (Inaudible) channel two, eight, please.

5 one, one, roger. Be advised that we have disembarked
6 our passengers to the Anacapa and are now on route to
7 Juneau.

8 Rescue, one, one, Juneau, roger, understand
9 you have dropped off two fire fighters and are in route
10 Juneau. Request ETA when you have one. Also, I do
11 have more information on the four passengers you are
12 picking up in Juneau. And also information on the
13 passengers in Miss Davis over.

14 Coast Guard Juneau Radio, Rescue six, zero,
15 one, one, roger. We estimate we will be on deck Juneau
16 at 1600 hours. Go ahead, pass your traffic, over.

17 Rescue one, one, Juneau, roger. Be advised
18 first passenger, Lieutenant Bauer, Brava, Alpha
19 Uniform, Echo, Romeo. He is MSO personnel. Second

25 personnel. Fourth passenger is Dave Reichl, Romeo,

1 Echo, India, Charlie, Hotel, Lima, he is an engineer
2 with the Alaska Marine Highway. How on that, over.

3 Coast Guard Juneau Radio, six, zero, one,
4 have all but the fourth passenger. Say slower, please.

5 Rescue one, one, Juneau, roger. Fourth
6 passenger, Dave Reichl, Romeo, Echo, India, Charlie,
7 Hotel, Lima, he is an Alaska Marine Highway engineer,
8 over.

9 Coast Guard Juneau Radio, Rescue six, zero,
10 one, one, roger. Have all. If there is nothing more;
11 six, zero, one, one, out.

12 Rescue one, one, Juneau, roger. Also request
13 to know when you would like to refuel, over.

14 Coast Guard Juneau Radio, Rescue six, zero,
15 one, roger. We are okay for fuel now. What we have is
16 a video though, can we drop it off with personnel at
17 the Air National Guard Armory. How copy on that?

18 Rescue one, one, Juneau, roger, understand
19 that we will have somebody at the Air National Guard
20 waiting for that video, over.

21 Coast Guard Juneau Radio, six, zero, one,
22 one, roger, out.

23 Coast Guard Juneau Radio, Rescue six, zero,
24 one, one, channel two, one.

25 Rescue one, one, Juneau, go ahead.

1 Coast Guard Juneau Radio, Rescue six, zero,
2 one, one, roger. (Inaudible) passenger transfer
3 information on the (inaudible) over.

4 Rescue one, one, Juneau, roger. The
5 information I have on the Miss Davis Mission is picking
6 up the captain of the Port, who is Commander Lorigan,
7 with three additional passengers, over.

8 Coast Guard Juneau Radio, six, zero, one,
9 one, roger what is their destination, over.

10 Rescue one, one, Juneau. You will be
11 bringing them back to Juneau, over.

12 Coast Guard Juneau Radio, six, zero, one,
13 one, roger, out.

14 Roger, we will be shifting 16 out.

15 Motor Vessel Columbia, this is cutter
16 Anacapa, channel 16.

17 This is Columbia, go ahead.

18 Columbia, Anacapa, roger. I have got to
19 Sitka fire fighters onboard. I am going to be
20 transferring them over to your location. I am also
21 going to be sending over some more OBA canisters for my
22 crew-members that you have onboard. The other four
23 passengers there are, I believe two MSO personnel, one
24 Juneau fire fighter, and I believe he is also a member
25 of the fire fighting school up there and one engineer

1 from the State Ferry Lines. They should be here in
2 about an hour and 15 minutes, or so, over.

3 Roger. Very well. And we will still receive
4 your passengers are on the starboard quarter-deck?

5 Roger, starboard quarter. Same place we
6 dropped off the firefighter.

7 Thank you.

8 (Inaudible)

9 Summertime (inaudible)

10 (Tape ended.)
